From the President

This is a GREAT time to be a Republican Woman in Galveston County!

This year marks the 10th Anniversary of Clear Creek RW Club, and together we have made a real difference in our community! We have held Voter Registration Drives and lobbied in Austin. We helped make a difference in the lives of Devereux students, and we've donated conservative-themed books to the Helen Hall Library.

Local, state and national candidates appreciate CCRW members as we opened our doors, our wallets and our hearts, and wore-out shoes on their behalf! Last year we helped return every Republican official in Galveston County and helped unseat a democrat! Our members have volunteered tirelessly at fundraisers for candidates and our local GOP.

Especially noteworthy is that our members have devoted thousands of volunteer hours at our county GOP office! This week's unanimous decision by County GOP Leaders to keep the office open for the rest of the year means that we can log even more hours!

We need to go into overdrive one more time - City Election Day is Saturday, May 9th. Even though city council is non-partisan, as Republican Women we should help elect Conservative leaders! Candidates need your help with phone calls and your help at the polls! Please have questions ready for the Candidate Forum Friday, May 1st.

See you Friday!

Barbara Meeks
President

She also discussed the Texas Sovereignty movement to reaffirm rights under the 10th amendment. Anything not spelled out in the Federal government should belong to the states. There are two pieces of legislation in committee: HCR 50 and HCR 66. She feels that they will not get out of committee. Information will be sent to those attending

the TFRW Legislative Day. Our board suggested that we lobby on this issue.

- Political Action: Roxann Lewis, Executive Director of the Galveston County Republican Party said that a group will be going to Austin on May 7th for the Voter Photo ID bill. The rally begins at 11:30am. Because of the 1969 Voters' Rights Act in Texas, voters can use other forms of ID. She asked if any election judges would write up their testimony to give examples of voter fraud. Ten copies will be needed. She said that 70% of the people of Texas want to see this passed. Roxann also told of the 'Tea Party' that Congressman Olson is coordinating for the evening of May 14th in Friendswood at Centennial Park. More information will be emailed.
- Awards: Diane Gillette discussed the NFRW Caring for America Award and asked that those members who volunteer for different agencies helping people to send her the amount of time and money given plus a description of the activity.
