UPCOMING ELECTION

Are you confused by the upcoming election??

Do you know who the candidates are and what office they are running for??

Do you know what you can do to help get a conservative candidate elected??

You are not alone as so many of us are still in a state of wondering. Candidates are unsure if the office they are running for is in a legal area due to new district guidelines. At this time the Primary election is due to be held on April 3rd.

The one thing we do know for certain is that the General Election to remove Obama from

office is November 3rd. There were judges in San Antonio that fought against the redistricting plan, but today their plan was overturned stating that their plan was partial to the minorities.

**Sarah Von Dran
President**

Will that change the Primary date?

No one knows at this time.

These changes, delays and unknowns have definitely presented problems for the candidates. They do not know if the positions they are campaigning for will be the final positions or will they be in another District. All of us will not agree with eve-

rything a candidate says but regardless we must stand together and support the candidates that wins the Primary.

Financial help, Meet and Greets where you can learn about where the candidates stands on issues. Volunteer to block walk for the candidates. stuffing envelopes , making calls or registering voters. There are many conservatives that are not registered that we need to bring into the fold.

Certification classes are available.

Let us **UNITE** and win in November.

Community Outreach Report ~ Caring for America

Just a reminder that we will continue our outreach to the Bay Area Turning Point in Webster.

Bay Area Turning Point offers a wide range of services for survivors of family violence, sexual assault and homelessness. All services are without cost and are accessible 24 hours a day.

They offer both residential services and non-residential services. No-residential services are provided to men, women and child survivors.

We want to start collecting all those small bottles of shampoo, conditioner, hand lotion and bars of soap that you collected on your travels.

Please bring to the February 3 meeting. These items are given to the women and children who stay at the shelter and are much appreciated.

Also, we will **continue collecting cell phones, iphones, smart phones, etc.** throughout the year to collect money for Bay Area Turning Point.

If you know of an organization or a family that we can reach out and help, please let me know.

Bonnie Wilson, Chairman

The **National Federation of Republican Women's Committee** for the **Caring for America** hopes that you will find this site full of inspiring and helpful information. It is our goal to encourage all our state clubs to reach out to their communities to make our nation the best that it can be!
