PRESIDENT'S MESSAGE

Dear Friends and Patriots,

With the election looming, it's more important than ever that Republican women be engaged. Our one and only goal is to **WIN EVERY RACE ON THE BALLOT!!** If we are to be successful over 76% of Republicans **MUST** turn out and vote. If we want to keep Texas moving in the right direction then it is imperative that we get our voters out.

I believe our message is resonating with voters now more than ever. The failed policies of the Biden administration have caused soaring gas prices, inflation, supply chain issues and drugs streaming across our southern border. This is the message that we need to keep in the forefront of voters' minds.

Just a few simple things to remember while engaging voters.

- **Be positive about our party and our candidates**
- **Invite people to attend our club meetings**
- **Re-engage those who have left the party**
- **Engage with independents and those leaving the Democrat party**
- **Get involved by: Block walking, phone banking, hosting meet & greet events**

We are all stronger together. Let's go out and work like the whole election depends on us; because it very well might.

God Bless,
Roxann Lewis

Legislative Report—September 2022

Get out the vote:

1. Voting
2. Tell 10 others to register to vote.

Voting Information

With just under 10 weeks until the November 2022 election, Governor Greg Abbott has been making national news. Abbott has sent more than 6,000 migrants from the Texas-Mexico border to Washington, D.C. since May 2022. New York City also recently received their first buses of migrants. Gov. Abbott has been asking the federal government for help at the Texas-Mexico border for months with no response. How will the federal government respond to this crisis now?

Abbott tweeted on August 19th, “Biden’s dangerous open border policies have allowed a record number of illegal immigrants to enter America. As the federal government continues to turn a blind eye, Texas remains steadfast in our efforts to secure the border and keep Texans and Americans safe.”

As Republican voters, we must help **Get Out The Vote** for the November 2022 election. Governor Abbott and every other Republican on the ballot needs our help. Please tell 10 family members, friends, and neighbors to go vote.

Besides our statewide elected officials and county elected officials, League City mayor and city council elections will be on the November ballot. More news to come on these local races.

Respectfully,

Della Brown, Legislative Chair

Important Dates:

October 11, 2022	Last Day to register to vote
October 24, 2022	First day of early voting

Tutorial #1-Monthly Reporting

Because we have had so many changes from the National Federation of Republican Women to include so much more of your volunteer activities, we wanted to start with a tutorial of what can be counted every month on a regular basis.

- ♦ Count your drive time to and from our meetings. If you drive 15 minutes each way, round up and it is one hour. We cannot take partial hours.
- ♦ Count the time spent at our meetings. Yes, this is a BIG change. Our meetings officially open doors at 11:30 a.m. and end about 1 p.m. If you attend the board meeting prior, count those hours. If you come early to our meetings and stay later to help, count that time as well.
- ♦ If during the month, you attended other Republican Club meetings, Bay Area Republican Women, The Republican Network, Galveston Republican Women, or others to include Greater Houston Council of Federation of Republican Women, count those hours both travel and time attending.
- ♦ Did you post on social media about our meeting and share it with friends? Did you send an E-mail or call a friend to remind them of our meeting? Count that time.
- ♦ Associate members...your hours count too. We value your participation.
- ♦ State Senator and State Representatives representing their district, but not staff, can count their hours. The rationale is that this is not their main source of income.

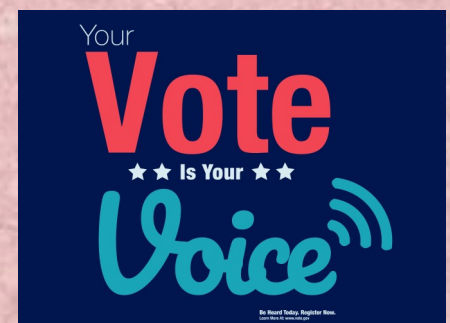

Please help to record your hours by using our handy clip boards on the tables at meetings or go to our website clearcreekrw.org, click on Membership and submit your hours.

Pat Kampenga, Chairman

2022 Texas GOP Priorities

These priorities were chosen by over 5,000 voting delegates at the state convention, June 13-18, 2022 in Houston, Texas. Delegates were presented with a [list of 15 topics selected by the Legislative Priorities Committee](#) after a comprehensive review of resolutions passed at the precinct and senate district levels of the convention process. Delegates were allowed to vote on 8 topics, which became the official Legislative Priorities of the Republican Party of Texas.

1. Protect our Elections:

Restore felony penalties and enact civil penalties for Election Code violations, which shall be enforceable by any Texas jurisdiction, including the Texas Attorney General. Require citizenship verification of each voter. Restrict the distribution of mail-in ballots to only disabled, military, and citizens that are out of state. Reduce the time allowed for early voting, and eliminate the three-day gap between early voting and election day. Establish closed primaries in Texas. As technology evolves, we encourage the passage of legislation that ensures the security of our elections.

2. Secure the Border and Protect Texans:

Texas shall immediately deny all taxpayer funded services and subsidies to illegal aliens. We call upon the Governor to assert his duty under Article 1, Section 10, Clause 3 of the US Constitution to declare an invasion on our Texas border and do everything in his power to protect Texans from this invasion. The legislature shall direct the Governor to enter into an Interstate Compact with one or more states for Border Security.

3. Ban Gender Modification of Children:

Texas must ban chemical castration, puberty blockers, cross-sex hormones, genital mutilation, bodily alteration surgery, psychological/social transitioning, and any other methods applied to or performed on children.

4. Stop Sexualizing Texas Kids:

Repeal Texas Penal Code "Obscenity Exemption" 43.24(c), which allows children access to harmful, explicit, or pornographic materials and 43.25(f)(2 3), which allows sexual performance by a child. In addition, prohibit teaching, exposure, and/or discussion of sexual matters (mechanics, feelings, orientation, or "gender identity" issues), and prohibit use or provision of related books and other materials using criminal, civil or other enforcement measures.

5. Ban Democrat Chairs:

To ensure all legislative Republican priorities are given a fair opportunity to become law, the Republican-controlled Texas legislature shall adopt a rule that would end the practice of awarding committee chairmanships to Democrats.

6. Abolish Abortion in Texas:

Abolish abortion by ensuring the right to life and equal protection of the laws to all preborn children from the moment of fertilization, including adopting effective tools to ensure the enforcement of our laws to protect life when district attorneys fail to do so.

7. Defend Our Gun Rights:

Protect our gun rights against threats, such as red flag laws, federal, state or other restrictions, by strengthening and preserving our inalienable rights under the second amendment to protect our life, liberty and property. The Texas Legislature should eliminate gun-free zones.

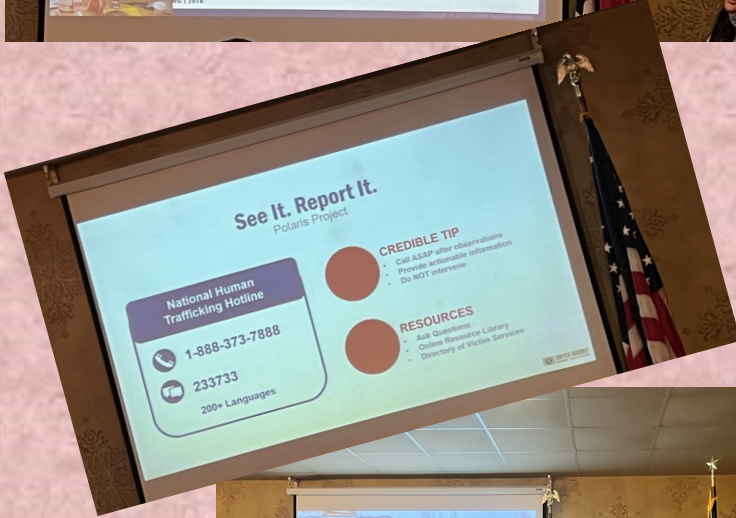

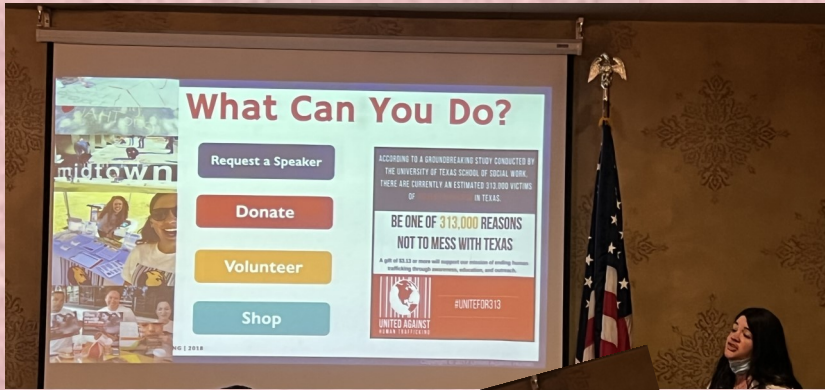

8. Parental Rights and Educational Freedom:

Parents are the primary decision makers for their children in all matters. This authority shall be protected as an inalienable right. This shall include the choice of schooling where the money follows the child without strings attached, and enforcement and penalty mechanisms when parents' rights are violated. The right to education shall be free from any social theories.

We also still request that you limit your posts to 1x/week and the best way to get to know the members is to come to our meetings or events throughout the year. Please do NOT send your posts to us, you may post directly to the group, we will approve them, as long as you are current member
