PRESIDENT'S MESSAGE

Dear Friends and Patriots,

Participating in elections is one of the key freedoms of American life and it is appropriate that we be reminded about the importance of voting, being involved in the election process, and working together to fight the radical policies and disruptive leaders who are working to tear apart the fabric of our country. With the election just a few short weeks away, let's agree to do everything we can to make a difference. Republican Women are participating in phone banking, block walking, writing letters, as election judges, election clerks, and poll watchers. As we fight to keep Texas Red, I know our club members are on the front lines to ensure Republicans carry the day on November 8th.

In just over a month, this election will all be over. I ask you to do all you can to make Texas stronger and better by remaining positive and focusing on our mission of electing every Republican on the ballot.

“United we stand, divided we fall. Let us not split into factions which must destroy the union upon which our existence hangs.” - Patrick Henry

God Bless,
Roxann Lewis

Legislative Report—October 2022

Get out the vote:

1. Voting
2. Tell 10 others to register to vote.

Voting Information

I am challenging you to GET OUT THE VOTE (GOTV) for the November 2022 Election. Tell 20 friends and family members to vote REPUBLICAN all the way down the ballot. Every candidate that has an 'R' behind their name needs help getting elected. After your first ask, make sure you follow-up with each of your 20 friends and family members. We must work to KEEP GALVESTON COUNTY RED!

In the next general election, League City will elect their next **Mayor** and expiring terms of the **council positions for Positions #1, #2, #6, and #7**. They will also hold a **special election** for the vacancy in **Position #3** (an unexpired term ending in November 2024).

To see a list of the candidates and the order they are on the ballot, please go [here](#).

Want to make sure you are registered to vote, please go [here](#).

For voter location and date information, please go [here](#).

Respectfully,

Della Brown, Legislative Chair

Campaign Activities: Tutorial #2-ELECTIONS-Monthly Reporting

Because we have had so many changes from the National Federation of Republican Women to include so much more of your volunteer activities, this is a list of ways that you might have volunteered for this upcoming election.

- ◆ **Preparing Campaign Office...**Clean up, set up, bringing supplies.
- ◆ **Volunteering** at Campaign Office to include transportation to and from.
- ◆ **If you are a candidate, full and associate members...**please submit the hours that you have put in. Okay, guestimate because you have certainly spent a lot of time!
- ◆ Walking precincts.
- ◆ Preparing letters to the editor or elected officials.
- ◆ Any phone calls to encourage friends and acquaintances to vote.
- ◆ Calls to radio, TV, and social media appearances.
- ◆ Posting to social media.
- ◆ Emailing friends with campaign information.
- ◆ Registering voters, (any member who was trained last year is still able to register voters until 12/22. Check your card that was issued after training).
- ◆ Writing a column for or editing a digital or hardcopy club newsletter.
- ◆ Attendance at rallies.

Every Month....

- ◆ Count your drive time to and from our meetings. If you drive 15 minutes each way, round up and it is one hour. We cannot take partial hours.
- ◆ Count the time spent at our meetings. Yes, this is a BIG change. Our meetings officially open doors at 11:30am and end about 1pm. If you attend the board meeting prior, count those hours. If you come early to our meetings and stay later to help, count that time as well.
- ◆ If during the month, you attended other Republican Club meetings, Bay Area Republican Women, The Republican Network, Galveston Republican Women, or others to include Greater Houston Council of Federation of Republican Women, count those hours both travel and time attending.

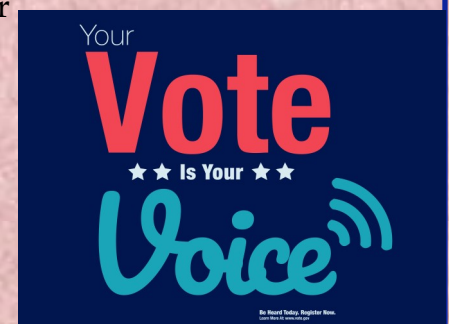

Associate Members...your hours count too. We value your participation.

State Senator and State Representatives representing their district, but not staff, can count their hours. The rationale is that this is not their main source of income. (Staff: please submit the hours that your legislator worked. There should be an enormous number of hours).

Please help to record your hours by using our handy clip boards on the tables at meetings or go to our website clearcreekrw.org, click on Membership and submit your hours.

Literacy and Caring for America—October 2022

COMING UP IN OCTOBER IS OUR HELEN HALL LIBRARY BOOK DRIVE

Last year we donated 74 books to the library.

New or gently used books for all ages will be appreciated.

The library staff will make use of all the books donated. If they have a copy of a donated book, they may keep it in the library or give it to the bookstore for resale. Nothing is wasted.

ONGOING IS OUR CARE FOR THOSE WHO ARE SERVING ON THE BORDER

Texas law enforcement officers are sent to the border to assist the United States Border

Patrol with securing our border. They will accept individually wrapped snacks: candy,

cereal, chips, cookies, etc., as well as bottled water. Please bring your treats to:

Constable Justin West's office:
174 Calder Rd, Suite 127
League City, TX 77573

They make periodic trips to the border taking these treats.

Again, thank you for all your participation.

Pat Kampenga, Chairman

2022 Texas GOP Priorities

These priorities were chosen by over 5,000 voting delegates at the state convention, June 13-18, 2022 in Houston, Texas. Delegates were presented with a [list of 15 topics selected by the Legislative Priorities Committee](#) after a comprehensive review of resolutions passed at the precinct and senate district levels of the convention process. Delegates were allowed to vote on 8 topics, which became the official Legislative Priorities of the Republican Party of Texas.

1. Protect our Elections:

Restore felony penalties and enact civil penalties for Election Code violations, which shall be enforceable by any Texas jurisdiction, including the Texas Attorney General. Require citizenship verification of each voter. Restrict the distribution of mail-in ballots to only disabled, military, and citizens that are out of state. Reduce the time allowed for early voting, and eliminate the three-day gap between early voting and election day. Establish closed primaries in Texas. As technology evolves, we encourage the passage of legislation that ensures the security of our elections.

2. Secure the Border and Protect Texans:

Texas shall immediately deny all taxpayer funded services and subsidies to illegal aliens. We call upon the Governor to assert his duty under Article 1, Section 10, Clause 3 of the US Constitution to declare an invasion on our Texas border and do everything in his power to protect Texans from this invasion. The legislature shall direct the Governor to enter into an Interstate Compact with one or more states for Border Security.

3. Ban Gender Modification of Children:

Texas must ban chemical castration, puberty blockers, cross-sex hormones, genital mutilation, bodily alteration surgery, psychological/social transitioning, and any other methods applied to or performed on children.

4. Stop Sexualizing Texas Kids:

Repeal Texas Penal Code "Obscenity Exemption" 43.24(c), which allows children access to harmful, explicit, or pornographic materials and 43.25(f)(2 3), which allows sexual performance by a child. In addition, prohibit teaching, exposure, and/or discussion of sexual matters (mechanics, feelings, orientation, or "gender identity" issues), and prohibit use or provision of related books and other materials using criminal, civil or other enforcement measures.

5. Ban Democrat Chairs:

To ensure all legislative Republican priorities are given a fair opportunity to become law, the Republican-controlled Texas legislature shall adopt a rule that would end the practice of awarding committee chairmanships to Democrats.

6. Abolish Abortion in Texas:

Abolish abortion by ensuring the right to life and equal protection of the laws to all preborn children from the moment of fertilization, including adopting effective tools to ensure the enforcement of our laws to protect life when district attorneys fail to do so.

7. Defend Our Gun Rights:

Protect our gun rights against threats, such as red flag laws, federal, state or other restrictions, by strengthening and preserving our inalienable rights under the second amendment to protect our life, liberty and property. The Texas Legislature should eliminate gun-free zones.

8. Parental Rights and Educational Freedom:

Parents are the primary decision makers for their children in all matters. This authority shall be protected as an inalienable right. This shall include the choice of schooling where the money follows the child without strings attached, and enforcement and penalty mechanisms when parents' rights are violated. The right to education shall be free from any social theories.

We also still request that you limit your posts to 1x/week and the best way to get to know the members is to come to our meetings or events throughout the year. Please do NOT send your posts to us, you may post directly to the group, we will approve them, as long as you are current member
