PRESIDENT'S MESSAGE

Hello Fellow Republicans,

I hope this letter finds you well. It has been a roller coaster month with more ups and downs to come. The National Federation of Republican Women and the Texas Federation of Republican Women had wonderful conventions and our own Galveston Republican Party had a smashing Lincoln Reagan Dinner. As our dedicated events chair, Lanette Lashway works hard to prepare our fundraiser of the year "Food for Thought," we need to realize how important it is to support our leaders. We, as part of the National Federation of Republican Women have an opportunity to support and elect great leaders.

The biggest event in which we see the need for real strong leaders is with the conflicts in Israel. I can't help but think that Hamas would not have dared to attack Israel if we had a competent President. There is no place in this world for terrorists. It breaks my heart to hear Benjamin Netanyahu state it is their "9/11." As we pray and support our friends, we need to also remember that it is our responsibility to support our legislators who fight for our values every day.

I wanted to also recognize all our veterans. As a wife of a veteran, I can tell you how much it means to him for people to say, "Thank you for your service." In the month of November let us all try to say Thank You to all the selfless women and men who protect our community, our state, our nation and our world. We appreciate you all.

Veterans Appreciation with Hon. Judge Mark Henry

First elected in 2010, Judge Henry is the 28th County Judge in Galveston County history, dating back to 1838 and is only the 5th County Judge since World War II.

As a 21-year Air Force Veteran, Judge Henry is very committed to veteran issues and in 2013 created, at that time, the only all-veteran staffed Veterans Treatment Court in the United States. The court serves as a diversion program for veterans who need help with service connected illnesses rather than putting them through the criminal justice system. As a result, the Texas Veterans Commission named Judge Henry as "one of the greatest veteran advocates in the whole State of Texas."

Judge Henry is a fifth generation Texan, born and raised in the Houston area, and a graduate of the University of Houston.

Judge Henry is now in his fourth term as County Judge and resides in League City with his wife Amy and their soon-to-be 8-year-old twin daughters, Brinkley & Hartley. He is a father of 5 and his 3 adult-aged children, Austin, Taylor, and Jessi, live in the greater Houston area.

You MUST RSVP by end of day the Monday before each meeting.

Please RSVP by completing the form on the website here.

Please reserve and select choice #1, #2, or #3 by end of the day

Monday before each meeting.

Please note: You may cancel up to 24 hours before meeting, free of charge. After that time, you will be charged for your meal if we are charged by La Brisa for your RSVP.

2022 Texas GOP Priorities

These priorities were chosen by over 5,000 voting delegates at the state convention, June 13-18, 2022 in Houston, Texas. Delegates were presented with a [list of 15 topics selected by the Legislative Priorities Committee](#) after a comprehensive review of resolutions passed at the precinct and senate district levels of the convention process. Delegates were allowed to vote on 8 topics, which became the official Legislative Priorities of the Republican Party of Texas.

1. Protect our Elections:

Restore felony penalties and enact civil penalties for Election Code violations, which shall be enforceable by any Texas jurisdiction, including the Texas Attorney General. Require citizenship verification of each voter. Restrict the distribution of mail-in ballots to only disabled, military, and citizens that are out of state. Reduce the time allowed for early voting, and eliminate the three-day gap between early voting and election day. Establish closed primaries in Texas. As technology evolves, we encourage the passage of legislation that ensures the security of our elections.

2. Secure the Border and Protect Texans:

Texas shall immediately deny all taxpayer funded services and subsidies to illegal aliens. We call upon the Governor to assert his duty under Article 1, Section 10, Clause 3 of the US Constitution to declare an invasion on our Texas border and do everything in his power to protect Texans from this invasion. The legislature shall direct the Governor to enter into an Interstate Compact with one or more states for Border Security.

3. Ban Gender Modification of Children:

Texas must ban chemical castration, puberty blockers, cross-sex hormones, genital mutilation, bodily alteration surgery, psychological/social transitioning, and any other methods applied to or performed on children.

4. Stop Sexualizing Texas Kids:

Repeal Texas Penal Code "Obscenity Exemption" 43.24(c), which allows children access to harmful, explicit, or pornographic materials and 43.25(f)(2 3), which allows sexual performance by a child. In addition, prohibit teaching, exposure, and/or discussion of sexual matters (mechanics, feelings, orientation, or "gender identity" issues), and prohibit use or provision of related books and other materials using criminal, civil or other enforcement measures.

5. Ban Democrat Chairs:

To ensure all legislative Republican priorities are given a fair opportunity to become law, the Republican-controlled Texas legislature shall adopt a rule that would end the practice of awarding committee chairmanships to Democrats.

6. Abolish Abortion in Texas:

Abolish abortion by ensuring the right to life and equal protection of the laws to all preborn children from the moment of fertilization, including adopting effective tools to ensure the enforcement of our laws to protect life when district attorneys fail to do so.

7. Defend Our Gun Rights:

Protect our gun rights against threats, such as red flag laws, federal, state or other restrictions, by strengthening and preserving our inalienable rights under the second amendment to protect our life, liberty and property. The Texas Legislature should eliminate gun-free zones.

8. Parental Rights and Educational Freedom:

Parents are the primary decision makers for their children in all matters. This authority shall be protected as an inalienable right. This shall include the choice of schooling where the money follows the child without strings attached, and enforcement and penalty mechanisms when parents' rights are violated. The right to education shall be free from any social theories.
